With an astonishing array of facilities and activities, guests can indulge in the things there is never time to do on land. Dine in exquisite restaurants serving food from around the globe, take in live entertainment, dance the night away or simply sip cocktails on deck. Add to all this the outstanding first-class service from attentive crew and sumptuous accommodation, and it is understandable why cruises attract guests time and time again.

To truly capture the joy of cruising, opt for one of the more intimate, luxurious ships of Silversea, Crystal Cruises, Regent Seven Seas Cruises, Seabourn, Seadream Yacht Club and Star Clippers, each transporting guests to amazing destinations often out of reach of larger vessels. While these companies share similarities in terms of service and dedication to guest enjoyment, they differ in size, style and the unique voyage experiences they provide. Though magical in its own right, a cruise can also feature as part of a bespoke itinerary, designed to enhance a special travel experience and provide an altogether more relaxing means of discovery. Our chosen cruise partners below offer a number of exciting itineraries which can be combined with any of our featured properties pre and post cruise. With endless combinations available there is sure to be something for everyone.

The intimate size of SeaDream I and SeaDream II grants them the freedom to dock in otherwise inaccessible yachting playgrounds.

**REGENT SEVEN SEAS CRUISES**

Between them these amazing locations boast truly unforgettable dive sites and marine life, local street food and gourmet cuisine by Michelin-starred chefs, famous boutiques and authentic souks, desert and wilderness safaris, not to mention the most striking natural scenery and urban cityscapes imaginable.

Enjoy the simplicity of nature elegantly combined with the decadence of 5-star luxury, including tiny islands offering a Robinson Crusoe-style experience, resorts with award-winning spas and imaginative amenities, and suites stilted over iridescent shallow lagoons. The islanders have an endearing sense of humour and a willingness to share and educate, so you will always feel welcome. The Asian-European fusion cuisine can be enjoyed in a multitude of settings from formal gourmet restaurant dining to intimate villa meals or even picnics on the beach; no matter which resort you choose, feelings of luxury and romance will pervade.

Golffing Paradise

The ultimate destination for any golfer, Mauritius is home to an astonishingly high number of spectacular courses dotted all over the island. They range from simple 9-holes to challenging 18-hole world-class championship courses designed by legendary golfers such as Ernie Els, Bernard Langer and David Leadbetter. Set in beautiful natural surroundings, many of the courses also boast sea views and open coastal panoramas.

Island Trails

Learn about the very essence of Mauritius as you head out on an off-the-beaten-track adventure trail in a 4x4. Explore from the north to the east and south to the west on a journey through many of the hidden corners of the island. Take in the remote scenery, observe workshops of talented craftsmen, sample local delicacies and discover sugar cane, pineapple or other seasonal fruit plantations.

Cultural Feast

A truly unforgettable experience, feast on the flavours of the island as you pick your own produce from a local market with the help of an expert guide, before making your way to a kitchen or restaurant to learn the secrets of Mauritian cuisine. Share your dishes with a local family, or for less confident cooks, watch and learn as a chef prepares an authentic Mauritian meal to delight your taste buds.

Mauritius

An island surrounded by perfect white sand beaches, themselves surrounded by the stunning blue Indian Ocean, and at the centre of it all, mountains and breathtaking scenery. With almost year-round sunshine, it’s difficult not to be wowed by Mauritius.

Historically diverse, Mauritius has previously been under Portuguese, Dutch, French and English rule, resulting in an eclectic melange of architecture and culture, from meticulously maintained tropical gardens to the sumptuous silks and magnificent antiquites of Port Louis, not to mention a variety of exciting Fusion cuisines. Blessed with a year round tropical climate, sugar cane fields thrive here, waterfalls spill over dramatic verdant cliffs, and the 700,000 year old volcanic ravine, Trou Aux Cerfs, is a splendid natural wonder to visit. Famous for its luxurious hotels, Mauritius is the perfect destination for weddings, honeymoons and memorable family holidays. Enjoy an exciting catamaran cruise, go snorkelling, learn to dive in some of the world’s most spectacular underwater seascapes or try your hand at deep sea fishing. A holiday in Mauritius incorporates award-winning championship golf courses, lavish spas with authentic Mauritian treatments, a wealth of historical landmarks, including fabulously preserved Hindu temples, and a warm and friendly welcome from a gracious population.

Top it all off by kicking back and relaxing on a beautiful beach while an authentic Creole barbecue is prepared especially for you.

A Natural Discovery

Trek through the ancient forest on a guided walk and hiking trails, where you can also spot unusual birds including the endangered Seychelles Black Parrot. This real life slice of Eden has an almost mystical charm and is not to be missed.

Seychelles

An inherently remote destination, the Seychelles is a unique cluster of unspoilt tropical islands. Wild and authentic, these islands boast a distinctive landscape and unmistakable Creole heritage, as well as some of the world’s best beaches and cerulean seas.

Undulating terrain, pristine lagoons and untouched beaches are home to some of the world’s rarest species including flamboyant bird life, giant tortoises and magnificent palm trees. Enjoy a true castaway experience here, from a barefoot stroll along a scenic beach to snorkelling with rare species of fish, or a trek through the stunning Marine Seychelles National Park. Peruse local markets, which showcase handcrafted jewellery and other artisan goods, or make the most of the abundance of deserted beaches just minutes away. To witness the real beauty of the Seychelles you need to hop around. Visit the granite islands where huge rock formations meet powdery sands and clear seas, or venture to any of the outer coral islands famed for their natural jungle interior and stunning surrounding reefs. The Creole cuisine is delicious and incorporates the finest exotic local ingredients including coconut milk curries, grilled fish and fresh tropical fruits. The Oberoi Beach Resort Al Zorah

Nestled within 247 acres of protected forest, The Oberoi Beach Resort Al Zorah may only be 25 minutes from Dubai Airport yet it feels a world away from the bright lights of the city. By contrast, Al Zorah is a unique luxury destination in Ajman, with white sand beaches, blue lagoons and lush mangroves.

In an area of exceptional biodiversity, the resort is unlike many of the others here and is also very different to the majority of Oberoi properties. Bold and contemporary, the accommodation is spacious, elegant and modern, with high ceilings and expansive windows that fill the spaces with natural light and stunning sea views. One, two and three bedroom villas also benefit from private pools and are great for families, while all of the rooms and suites enjoy private terraces.

Experience the very best in culinary fare with world-class cuisine in the restaurants and in-room dining. Located within a faux glass island, Vinesse is an all day fine dining restaurant with an attached bar serving crafted cocktails, while Aquario by the beach showcases fresh seafood. Retreat to the Sensio Spa by Oberoi for soothing treatments and hammams, workout in the gym or free the mind with meditation and Yoga. Enjoy an unforgettable starlit barbecue dinner specially prepared by one of the chefs, play a round of golf on the nearby course, try various watersports or head into Dubai for the many attractions of the city.

Ajman & Ras Al Khaimah

Beyond the glittering world of Dubai and Abu Dhabi, the UAE is also home to the lesser-known states of Ajman and Ras Al Khaimah. Emerging slowly but surely, these up and coming destinations appeal for their more relaxed and less bold atmosphere.

Step beyond the infamous hotspots of the UAE and discover a very different side to these ancient lands, those less caught up in the whirlwind of extravagance. Ajman, one of the smallest of the states, is home to the impressive Al Zorah development, which occupies a scenic island setting with sweeping white sand beaches. The impressive development will play host to world-class hotels and resorts, a picturesque marina, leisure facilities and an 18-hole golf course, all set within a natural environment of lush coastal land, lagoons and mangroves. Away from the bust of the city, Al Zorah is the perfect place for a more relaxed or active getaway. With magnificent landscapes, stunning coastlines and sun soaked desert plains, the emirate of Ras Al Khaimah is considered one of the most authentic destinations in the Middle East. It boasts year-round sunshine, adventure and world-class resorts, as well as adrenaline-filled watersports, hiking, desert safaris, luxurious spa, golf and much more. Ras Al Khaimah is a great alternative to the more familiar destinations of the UAE.
