Cruise

Board the sleek silhouette of a cruise ship and savour its glittering elegance as you set sail in search of an ever-changing horizon, finding a home in some of the world’s most glamorous harbours, spectacular islands and idyllic ports of call.

With an astonishing array of facilities and activities, guests can indulge in the things there is never time to do on land. Dine in exquisite restaurants serving food from around the globe, take in live entertainment, dance the night away or simply sip cocktails on deck. Add to all this the outstanding first-class service from attentive crew and sumptuous accommodation, and it is understandable why cruises attract guests time and time again.

To truly capture the joy of cruising, opt for one of the more intimate, luxurious ships of Silversea, Crystal Cruises, Regent Seven Seas Cruises, Seabourn, Seadream Yacht Club and Star Clippers, each transporting guests to amazing destinations often out of reach of larger vessels. While these companies share similarities in terms of service and dedication to guest enjoyment, they differ in size, style and the unique voyage experiences they provide. Though magical in its own right, a cruise can also feature as part of a bespoke itinerary, designed to enhance a special travel experience and provide an altogether more relaxing means of discovery. Our chosen cruise partners below offer a number of exciting itineraries which can be combined with any of our featured properties pre and post cruise.

With endless combinations available there is sure to be something for everyone.

SILVERSEA
Experience all-suite luxury cruising on one of the intimate Silversea ships. The intimate size of SeaDream I and SeaDream II grants them the freedom to dock in otherwise inaccessible yachting playgrounds.

REGENT SEVEN SEAS CRUISES

SEABOURN
Luxurious and sophisticated, enjoy all that these vessels have to offer, from the all-suite accommodation, expansive open decks, welcoming social spaces and delicious dining venues, to the thoughtful activities and entertainment. In addition to the award-winning Seabourn Odyssey, Seabourn Sojourn, Seabourn Quest and Seabourn Encore, the all new Seabourn Ovation ensures that this will be the youngest and most modern fleet at sea.

STAR CLIPPERS
These impressive ships, including the full-rigged, five masted Royal Clipper, epitomise the elegance of the grand age of sailing. Operating three of the world’s largest and tallest sailing ships, passengers enjoy the lifestyle and laid-back atmosphere of a private yacht. Carrying between 170 and 227 guests, the Royal Clipper, Star Clipper and Star Flyer offer intimate voyages around the world.

When it comes to a Hawaiian ‘must see’ then the historic site of Pearl Harbor should be high up the list. Step back in time to December 7, 1941 as you board the USS Arizona Memorial, with the names of those still entombed in the proud vessel engraved on the wall, followed by a drive through the National Cemetery of the Pacific.

Famed the world over as a surfer’s paradise, few destinations offer better opportunities to learn to ride the waves than Hawaii. One of the island’s most popular sport and leisure activities, why not enjoy the thrill of a private lesson with the experts. Award-winning teachers will show you some surfing skills, all against the stunning backdrop of the beach and ocean waters.

Take flight from Maui with a Maverick Helicopter Tour and soar over the stunning landscape of the island below, witnessing the sweeping coastline and lush interior.
