Caribbean & Bermuda Supporting Responsible Tourism

Travel has a significant impact on the global environment of today and tomorrow, which is why it is so important for locals, suppliers and tour operators to share the responsibility of creating better places for people to live and to visit. A greener, more sustainable tourism is being achieved through thoughtful economic, social and environmental initiatives, protecting the diverse cultural and natural habitats of beautiful destinations like the Caribbean and Bermuda while also promoting the interests of local communities.

1 Education For All

Calabash Luxury Boutique Hotel in Grenada is dedicated to the early learning and literacy of local children through helping to fund functioning libraries, supplementary curricular material and children's books, as well as supporting children's homes through Pack for a Purpose. Hotel owner, Leo Garbutt, is a trustee of Grenada Schools Inc. and to date the charity has built 25 libraries across the 56 schools, written 'The Spice Reader', a comprehensive learning tool for kids, and provided coaching support for teachers. Many of the hotel's guests enjoy learning about the GSI's wonderful work, with many of them visiting the schools and libraries during their stay.

2 Sustainable Diving

Antigua and Barbuda has become the first English speaking country in the western hemisphere to implement sustainable diving and snorkelling standards. The 'Green Fins' initiative, coordinated by The Reef-World Foundation, aims to protect and conserve coral reefs through environmentally friendly guidelines. A national team is now certified to provide simple, everyday solutions, as well as training about the local ecology and reducing diving and snorkelling related damage to sensitive marine ecosystems. Green Fins approved members and divers have the ability to positively influence diver behaviour and conduct responsible dives, diminishing the risk of future underwater damage.

3 Green Transport

Pollution and traffic jams have no place on the Bermudian landscape and at just 21-square miles, the island is easy, safe and now even greener to navigate. A fleet of electric cars, including the two-seater Renault Twizy, are available at specific locations around the island and can travel up to 50 miles on a single charge. Scooters, hybrid electric bikes and pedal bikes are also available to rent, enabling visitors to explore the island's winding streets and scenic coastal roads at a fun, leisurely and emissions free pace. Plus, with speed limits capped at 20mph, nobody is in a hurry!

4 Water Conservation

Due to its unique topography and terrain, every drop of fresh water is important for the island of Saint Lucia and its many rainforests, rivers and their habitats. At BodyHoliday, the production of fresh water from the sea with a reverse osmosis plant reduces the drain on this precious resource, upon which many ecosystems rely. Natural water sources are used for the resort's laundry plus a sewerage treatment plant produces filtered water to supply ponds for the benefit of birdlife and silt-traps prevent heavy rain damage to the reef. Moreover the improved wastewater management helps keep the sea crystal clear for guests.

5 Reduce, Reuse and Recycle

A small but powerful advocate of responsible travel, Hermitage Bay continues on a sustainability journey year on year. Working closely with the Environmental Awareness Group of Antigua and Barbuda (EAG), the award winning, family-run hotel actively promote the use of natural resources and find ways to reduce their environmental footprint. Numerous programmes and initiatives are designed to manage waste and carbon emissions, such as the Re-THINK, Re-DUCE, Re-USE and Re-CYCLE principles, plus all business decision-making incorporates environmental, social and economic considerations. Luxurious, peaceful and natural, the hotel's healthy environment remains a haven for guests, staff and many species of plants, birds, turtles and more.

Inside
Caribbean & Bermuda

It's certainly no secret that the Caribbean and Bermuda are home to spectacular destinations, which combined create a stunning collection of islands, pristine beaches, lush landscapes plus vibrant towns and cities.

Together, the mosaic of islands that make up the Caribbean provide wonderful variety for travellers. From the mountain peaks of Saint Lucia to the shimmering reefs of The Bahamas; the reggae rhythm of Jamaica to the lively beats of Antigua's carnival; or the British Colonial notes of Barbados, to the French influences of St. Barths. The vast lush island of the Dominican Republic also has much to offer couples and families alike, from fun in the sun to dancing the night away, there is certainly no shortage of entertainment. Wherever you go in the Caribbean, diversity is ever-present. Amid all of this are UNESCO World Heritage Sites, numerous sporting activities and outdoor adventures, food bursting with flavour and harbour hotspots providing playgrounds for the rich and famous. Experience multi-centre island hops, sailing on private yachts and luxury liners, or stays in boutique inns, all-inclusive resorts and private villas.

Standing alone in the Atlantic Ocean is Bermuda. Conveniently located off the east coast of North America, this pastel-hued paradise is a favourite among golfers and divers, with its beautiful land and seascapes. Boasting a summer climate, the island plays host to all kinds of attractions, from the naval history of its Dockyard and the cobblestone streets of St. George's, to the natural wonder of the magnificent Crystal Caves, an awe-inspiring subterranean world that's a 'must see' for any visitor to the island.

Barbados

An irresistible combination of the exotic and the familiar, Barbados' natural beauty and strong colonial connections have made it a popular choice for travellers; often drawn by its warmth, colour, vibrancy and rich cultural heritage with a contrasting divide.

On the south and east coasts expect dramatic cliffs, crashing waves and unspoilt ocean views. To the north and west, a more tranquil feel pervades, with balmy waters, immaculate beaches, world-renowned hotels and exquisite restaurants. Discover a noticeable homage to the days of the British Commonwealth, both architecturally and in the time-honoured customary traditions, such as afternoon tea and cricket. Enjoy the wonder of the diverse and beautiful seascape, where turtles bob along the waves and schools of colourful fish flit in the lagoon, while on land, botanical gardens offer tropical sights, sounds and smells. Absorb the grace and elegance of historic plantation houses, play golf on championship courses, or board the Atlantis submarine. When it comes to Barbados, one thing you will never be is hungry. Dine on the freshest local seafood at world-famous eateries like The Cliff, Cin Cin by the Sea and Lone Star, followed by a locally brewed Banks beer or Mount Gay rum cocktail.

St. Barths & St. Martin

Typically chic and sophisticated, the French Caribbean has a notably Mediterranean feel to it, as can be seen in St. Barths and St. Martin. These small island gems are home to a wealth of natural beauty, charm and attractions just waiting to be discovered.

A hideaway for the rich and famous, the islands are secluded, private and set back from the main tourist trail, yet offer the highest standards of hospitality at a selection of exquisite boutique hotels, plus glamorous shopping and exceptional fine dining restaurants. Both islands are also decorated with wonderful beaches making them great for watersports.

St. Barths, the smaller island, boasts glorious coastlines and coves, while Gustavia, the harbour-side capital, plays host to stylish pavement cafes, gourmet restaurants and a bustling yachting marina. St. Martin is a cosmopolitan half Dutch, half French settlement with a distinctive ambience, featuring the historic Fort Louis and picturesque Pic Paradis, where you can climb to the highest point on the island. French in style throughout, a continental stroke of culinary magic is apparent on both islands, from buttery croissants and brioche to delectable cheeses, fresh oysters and foie gras, flown in daily from France – a true foodie’s paradise.

Dominican Republic

A sun-kissed playground with one of the most geographically diverse Caribbean settings, the Dominican Republic offers much to many with its own unique blend of striking scenery, intriguing colonial history and rich culture.

Surrounded by the Atlantic Ocean and the Caribbean Sea, this vast lush destination is home to magnificent national parks, mountain ranges, rivers and sweeping beaches. Plus with such a wonderful natural backdrop there is certainly no shortage of activities and entertainment for couples and families alike. In a single week you could trek up to 3000m, explore ancient sights, windsurf wild waves, head out on the open water to witness humpback whales and absorb a lively evening atmosphere while sipping dark rum. First discovered by Christopher Columbus in 1492, the island has since grown into a popular destination featuring luxurious resorts in areas such as Punta Cana and a strong cultural scene in Santo Domingo, also a UNESCO World Heritage site. The colonial heart of these towns beat with friendly locals at fiestas and carnivals, where the buzz is almost palpable. Located less than four hours from New York and nine hours from London, the Dominican Republic should be a must for all travellers and it is little wonder that Columbus chose this as his Caribbean home.

Cayman Islands

In a carefree corner of the Caribbean you will find the popular destination of the Cayman Islands. Synonymous with tropical island luxury, the appeal of Grand Cayman, Little Cayman and Cayman Brac lies in their idyllic settings and charm, but with a cosmopolitan twist.

On the west side of sun-kissed Grand Cayman you will discover Seven Mile Beach, a crescent-shaped stretch of sand flanked by lavish resorts that enjoy the many benefits of a beautiful setting. Whether sunbathing on the beach, shopping in George Town, or swimming with stingrays at the North Sound, Grand Cayman has it all. Head out to uncover secluded beaches like Cayman Kai or Smith Cove, peruse the Cayman Craft Market, visit the Queen Elizabeth II Botanic Park or absorb the lively town culture of Camana Bay. Enjoy days exploring the remote island wonderlands of Little Cayman and Cayman Brac, each offering active adventures on land and in the water. Bask on empty beaches, kayak off the coast, experience amazing dives along seawalls and even a sunken ship, the USS Kittiwake, a 76m US Navy submarine purposefully wrecked just off Seven Mile Beach to create an artificial reef. Swim into the ship's many rooms, peer through its windows, or even take a turn at the steering wheel. Lying between 15 and 64 feet below the surface, the wreck is clearly visible to snorkelers and free divers too. While each of the three islands has its own personality and unique appeal, all guarantee ample fun in the sun, delicious food and warm smiles from friendly locals.

Accommodation Categories

The accommodation featured throughout our brochures carries no official hotel ratings and the room category terminology is that set by the hotel. Generally, the room categories and prices are determined by location within the resort/hotel e.g. proximity to the beach or pool. It is important to note that facilities vary quite significantly and due to the nature of the property may omit certain amenities such as televisions and air conditioning to retain the resorts authenticity

or ambience. If a particular amenity is essential to your requirements, please check that this is available at the time of booking.

Non-Featured Properties

We have the ability to book properties that are not featured in our brochure or on our website, however these are sold on a purely transactional basis and are therefore not booked with the same level of knowledge or contacts as our featured hotels.

Flight Times

The scheduled flight times detailed on your Confirmation Invoice are provisional and subject to change. Final timings will be advised to you on your travel documentation shortly before the departure date.

Luggage Allowance

Luggage allowances and permitted items vary from airline to airline and we recommend that you check the luggage policy of the airline(s) with which you are flying or ask us for further details. Many US Domestic Airlines charge for checked luggage.

Airline Lounges

Unfortunately, regardless of the class of travel booked, the majority of US Airports do not offer executive lounge access for either domestic or short haul flights including Mexico and the Caribbean. Please contact us or your agent should you require more information.

Travel Documentation

Your travel documentation will be posted to your travel agent first class approximately 21-14 days prior to departure. Please check the documentation carefully and inform your travel agent of any errors or omissions as soon as possible.

Passport And Visa Requirements

It is solely your responsibility to obtain any passports, visas, health certificates, international driving licences, entry requirements and other travel documents required for your holiday. Please note that we do not accept any responsibility or liability if you cannot travel, or incur any other loss because you have not complied with any passport, visa or immigration requirements or any health formalities. See our Terms & Conditions for more information.

A valid ten-year British Passport, with a minimum validity of at least six months on the arrival date back in the UK, is required for all holidays featured in our brochures. Should your passport be in the final year of validity we advise you to thoroughly check the requirements of the country you intend to visit prior to finalising your travel plans. For further detailed information please visit the Identity and Passport Service website www.ips.gov.uk. Non British Citizens must check their passport and visa requirements prior to booking with the Embassy or Consulate of the country they intend to visit.

Advance Passenger Information System (APIS)

Due to new security measures introduced by the airlines, it is now essential that all persons travelling provide us with full and accurate passport information (Advance Passenger Information) before they travel. We are required to provide details of your destination accommodation, country

of residence, name on your passport, passport number and date of birth to your airline. At the time of booking it is imperative that this information is provided to us accurately as it appears on your passport. Failure to do so could result in the airline refusing to allow you to board the aircraft or the country of destination refusing you entry. Please also be aware that airlines are unlikely to allow a subsequent name change after booking without financial penalty for which we cannot be held liable.

IMPORTANT INFORMATION FOR THOSE TRAVELLING TO OR IN TRANSIT VIA THE US.

Visa Waiver Programme (VWP)

UK passport holders may be eligible to travel to the United States (US) visa free under the Visa Waiver Program (VWP) if they are travelling for business, pleasure or are in transit. They must be travelling on a valid, machine readable passport (MRP) or ePassport with an electronic chip. If you have either type of passport then you may qualify for up to 90 days travel without a visa under the VWP as long as you, or any of your party, have no serious communicable diseases, or have ever been arrested (even if not convicted). Please visit uk.usembassy.gov for further details of all restrictions. If you are unsure whether you qualify for travel under the VWP please consult the Identity & Passport Service or US Embassy.

Electronic System Travel Authorisation (ESTA)

The US has a mandatory requirement for all those travelling (including infants) under the Visa Waiver Programme to provide details online at least 72 hours prior to travel. Anyone who has travelled to Libya, Iran, Iraq, North Korea, Somalia, Sudan, Syria or Yemen since 1 March 2011, as well as those who have dual nationality of some of these countries, will be excluded from the Visa Waiver Programme. If you do not have an ESTA you will be refused travel to the US. For more information, fees and to apply online, please visit the ESTA website at esta.cbp.dhs.gov. It is extremely important that the information you provide is accurate and matches the APIS information you provided to us as any differences could delay or prevent your entry to the country.

Health Requirements

We strongly recommend that you contact your GP or other medical professional for advice concerning the country you are visiting as early as possible, as health requirements such as required vaccinations can and do change. If you have a medical condition or are taking any medication then you should get clearance from your doctor prior to travel and we recommend that you carry a copy of the prescription with your medication. Further sources of information can also be found by visiting www.nathnac.org/travel, www.masta-travel-health.com or www.fitfortravel.nhs.uk.

Travel Advice

The Foreign & Commonwealth Office recommend that all British Travellers refer to their 'Know Before You Go' section on their website for the latest and up-to-date travel advice for your destination prior to departure. Please refer to www.fco.gov.uk. You can also call ABTA's Consumer Information Line on 0203 117 0599 (UK calls only).

Health and Safety

Applicable safety standards throughout our featured destinations are those of the country concerned and may not be the same standard as those expected within the UK. Please be aware that in some cases it can be lower. We therefore strongly advise you to exercise increased levels of care and diligence when abroad. We urge you to familiarise yourself with your surroundings, paying particular attention to fire procedures, fire exits and pool areas.

The depth and design of hotel pools vary and it may be the case that some hotels do not have poolside lifeguards present. Please take care in these situations, having first familiarised yourself with the depth of the pool and means of exit. This is especially important for any children you may have with you and you should ensure that they are supervised at all times.

Unfortunately, it is the case that crime occurs the world over and it is important that you take the same responsibility for your personal safety and possessions as you would at home. To reduce the chances of anything unpleasant happening, we recommend that you take appropriate precautions such as avoiding poorly lit areas at night, if you are unsure where you are going ask your local representative or hotel reception for directions and advice on the local area, lock windows and doors, avoid carrying too much cash and use the in-room safe (where applicable) for passports and expensive items. We enclose with our travel documentation ABTA's Guide 'How to have a safe and healthy holiday in the sun' and we recommend that you read this as it contains important travel advice.

Check-In/Check-Out

Check-in and check-out times vary from hotel to hotel but it is generally the case that rooms are available from 2pm onwards on the day of arrival and must be vacated by 11am on the day of departure. Should you require specific timings please ask us for further details.

Dress Code

Dress codes vary between hotels and destinations. For example certain restaurants in Bermuda require more conservative attire and gentleman are required to wear a jacket and tie. In addition, clothing with a camouflage print is banned throughout much of the Caribbean. Please contact your travel agent or Lusso should you require further information with regard to dress code.

Building Works

We aim to ensure that your arrangements will not be affected by substantial refurbishment or located in an area of significant building works. However, in certain developing areas building works are almost unavoidable and can begin without prior notice. Should we become aware of works that may adversely affect your holiday we will notify you and your travel agent as soon as possible.

Drinking Water

You will find that, regardless of the standard of the hotel, the quality of the water differs from that in the UK. Some people may experience upset stomachs from even high quality water. We advise that you drink bottled water. Please contact a medical professional if you require any further advice.

Utilities

Supplies of water and power in most of the destinations we feature are more than adequate. While it is uncommon, in some of the less developed or more remote destinations you may experience power and/or water restrictions. Please be patient while the hotel rectifies the problem.

Car Hire

At Lusso we aim to offer competitive car hire but hiring a car through us is not included as standard within our package prices. When arranging car hire we recommend that you check carefully the items which are included within your rate and those which are excluded. Optional extras can include one way drop fees, child seats, GPS systems, young drivers fees, additional driver fees and 'top up / excess waiver' insurance fees. Please note that if you are intending to hire a car many countries have a minimum age requirement of 21 years. You must also hold a valid driving licence and present both paper and photocard versions. Additionally please also be aware that driving standards and speed restrictions may not match those that you are used to in the UK and we strongly advise extra care is taken while driving abroad.

Special Requests

We take pride in being able to assist our clients wherever possible with any special requests you may have. However, these must be advised to us in writing at the time of booking. While every effort will be made by us to try and arrange your special requests, we cannot guarantee that they will be fulfilled (please see our Terms & Conditions for more details).

Data Protection

To comply with the Data Protection Act we would like to advise you that we have taken appropriate measures to protect the personal information held by us. We must advise you that for us to provide you with the products or services you require, it will be necessary to provide the personal information you supply to us to relevant organisations and may involve sending your details to countries that do not have an equal level of data protection legislation to that of the UK. Full details of our Privacy Policy are available on request.

Telephone Calls

It is important to us that we provide excellent customer service and it is for this reason that telephone calls to our UK office are recorded for security and monitoring purposes.

Terms & Conditions

1. Your Holiday Contract

These Booking Conditions, our Privacy Policy, and any other written information we brought to your attention before we confirmed your booking, form the basis of your contract with Lusso Travel Ltd trading as Lusso ("we" or "us"), company number 06915677 registered in England and Wales. A 'package' and 'lack of conformity' have the same meaning as in the Package Travel and Linked Travel Arrangements Regulations 2018 and 'arrangements' are all the holiday, tour and other arrangements detailed on your confirmation (including any additions or amendments). Please read all these conditions carefully as they set out our respective rights and obligations. In these Booking Conditions references to "you" and "your" include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is transferred.

The key terms of our agreement are:- Key terms

1. You will enter into a binding contract with us when we issue our confirmation invoice. If you then cancel your arrangements, you will be required to pay cancellation charges. Initially this will be the deposit you paid to secure your arrangements, but after you've paid the balance of the price of your arrangements, these charges will increase up to 100% of the cost of them;
2. You can make changes to your confirmed arrangements in certain circumstances. We will make a charge for processing these changes;
3. We may make changes to and cancel your confirmed arrangements but we will pay you compensation in certain circumstances if we do so;
4. We are responsible for making sure your confirmed arrangements are not performed negligently but there are some limits on and exceptions to this.

2. Your Financial Protection

We provide financial security for flight inclusive packages and ATOL protected flights by way of a bond held by the Civil Aviation Authority under ATOL number 10180. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk. The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We are also a member of the Association of British Travel Agents ABTA number Y2136. Lusso Travel Limited are a company committed to customer satisfaction and consumer financial protection. We are therefore pleased to announce that, at no extra cost to you, and in accordance with The Package Travel and Linked Travel Arrangements Regulations 2018, all passengers booking non-flight inclusive packages and accommodation only with Lusso Travel Limited are fully insured for the initial deposit, and subsequently the balance of monies paid as detailed in your booking confirmation. The policy will also include repatriation if required, arising from the cancellation or curtailment of your travel arrangements due to the insolvency of Lusso Travel Limited. This insurance has been arranged by Towergate Chapman Stevens through Zurich Insurance PLC.

In the unlikely event of Insolvency, you must Inform Towergate Chapman Stevens immediately on +44 (0) 1932 334140 or by email at tcs@towergate.co.uk. Please ensure you retain the booking confirmation form as evidence of cover and value. Policy exclusions: This policy will not cover any monies paid for Travel Insurance or any claim relating to Air Flights.

3. Booking and Paying for Your Arrangements

By making a booking, the first named person on the booking agrees on behalf of all persons detailed on the booking that:

- (a) He/she has read these terms and conditions and has the authority to and does agree to be bound by them;
- (b) He/she consents to our use of information in accordance with our Privacy Policy;
- (c) He/she is over 18 years of age and resident in the UK and where placing an order for services with age restrictions declares that he/she and all members of the party are of the appropriate age to purchase those services.

A booking is made with us when a) you tell us that you would like to accept our written or verbal quotation, and b) you pay us a deposit (see Clause 4) or if booking within 8 weeks of departure full payment and c) we issue you with a booking confirmation. A binding contract will come into existence as soon as we have issued you with a booking confirmation that will confirm the details of your booking and will be sent to you or your travel agent. If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will issue you with an ATOL Certificate and a booking confirmation. Upon receipt, if you believe that any details on the confirmation, ATOL certificate (if applicable) or any other document are wrong you must advise us immediately as changes may not be able to be made later and your rights may be affected as a result. The balance of the cost of your arrangements is due not less than 8 weeks prior to the start of your arrangements. If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case the cancellation charges set out in Clause 8 will become payable. Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. If your booking is made through a travel agent all communications by us will be made to that address. If you arrange your holiday directly with us the correspondence will be forwarded to the lead passenger on the booking unless otherwise stipulated.

4. Deposits

The amount of deposit you pay will vary depending on the type of service you book and will be advised to you at the time of booking. Our minimum deposit amount is £250 per person or 5% whichever is the greater amount. Higher deposits may be required during peak periods and where prepayments to suppliers are necessary. Some airlines require tickets to be issued at the time of booking, in which case the deposit will be at least the full cost of the ticket and may not be refundable or transferable.

5. Our Price Policy

Our brochure(s) are prepared and costed many months before travel and based on known costs and exchange rates as advertised on www.xe.com on an ongoing basis. The prices in this brochure are for guidance purposes only and the price of your holiday will be confirmed at the time of booking. We reserve the right to amend the price of unsold holiday arrangements at any time and correct errors in the prices of confirmed arrangements. The price of your confirmed arrangements is subject to variations which occur solely as a direct consequence of changes in:-

- (a) the price of the carriage of passengers resulting from the cost of fuel or other power sources;
- (b) the level of taxes or fees on your confirmed arrangements imposed by third parties not directly involved in the performance of the package, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports; or
- (c) the exchange rates relevant to the package.

Price variations will be calculated by applying the cost differential we experience as a result of the above factors. Prices may go up or down and we will notify you about any variation by sending you a calculation explaining the variation no less than 20 days before you are due to depart.

If your arrangements are a package, and if that means that you have to pay an increase of more than 8% of the price of your arrangements (excluding any insurance premiums, amendment charges and/or additional services), we will offer you the options in clause 10.

If prices go down as a result of the above factors, we will make a reflective refund, but we will also deduct our administrative expenses from what is owed to you and this may extinguish the value of the refund due.

Also, note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on price or cost due to contractual protections in place.

6. Method of Payment

We accept all forms of payment. Cheques should be made payable to

Lusso Travel Ltd. Details for Bank Transfers are available upon request.

7. Changes by You

If you wish to change any part of your booking arrangements after our confirmation invoice has been issued, you must inform us in writing as soon as possible either directly or via your travel agent. This should be done by the lead name on the booking. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change. Any alterations are only possible if permitted by our suppliers. Where we can meet a request, all changes will be subject to any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. We will charge an administrative charge of £25 per amendment. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

8. Cancellation by You

If you or any other member of your party decides to cancel your confirmed booking you must notify us in writing. Your notice of cancellation will only take effect when it is received in writing by us at our offices at 17 London Road, Alderley Edge, Cheshire, SK9 7JT. We recommend that you use recorded delivery. Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below (The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling.):-

Number of days prior to departure date when written notice of cancellation received	% of price payable
Up to 56 days prior	deposit only
55 – 43 days prior	50%
42 - 22 days prior	70%
21 – 14 days prior	90%
13 – 0 days prior	100%

Note: We strongly advise you to obtain adequate Travel Insurance with appropriate cancellation cover. If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Note: Certain arrangements may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements in addition to the charge above. In these circumstances the applicable cancellation charge will be advised to you at the time of booking.

You may cancel any package arrangements prior to their commencement (following the process outlined above) in the event that i) circumstances amounting to unavoidable and extraordinary circumstances are occurring at the place where your arrangements are due to be performed or its immediate vicinity ii) those circumstances make it impossible to travel safely to the travel destination; iii) the performance of your arrangements will be significantly affected by those unavoidable and extraordinary circumstances and iv) the Foreign and Commonwealth Office advises against travel to your destination or its immediate vicinity. In this event, you will receive a refund without undue delay of any payments made but this the maximum extent of our liability and we regret we cannot pay you compensation or meet any other expenses or losses you may incur as a result.

If your arrangements are a package and if any member of your party is prevented from travelling, that person(s) may transfer their place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements, including an agreement to these booking conditions) providing we are notified in writing not less than seven days before departure and you pay an amendment fee and meet all costs and charges incurred by us and/or incurred or imposed by us or any of our suppliers. Both you and the person to whom you would like to transfer your arrangements shall be jointly and severally liable for the payment of any balance due and for any additional fees, charges or other costs arising from the transfer. If you are unable to find a replacement, cancellation charges as set out above will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

9. Changes to a Confirmed Booking after Commencement of Travel

If you are forced to return home early, we cannot refund the cost of any services you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for

complaint about the standard of accommodation and services provided we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. If you decide to alter your travel arrangements whilst abroad this is your own responsibility and we will not be responsible for any extras or difficulties that may arise with onward travel as a result of such alterations. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

10. If We Change or Cancel Your Holiday

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of clause 12.

It is unlikely that we will have to make any changes to your travel arrangements, but we do plan the arrangements many months in advance. Occasionally, we may have to make changes and we reserve the right to do so both before and after departure.

Changes and cancellations before departure

Most changes will be insignificant and we reserve the right to make them. If we make an insignificant change to the main characteristics of your arrangements we will try to notify the change to you or your travel agent as soon as reasonably possible before your departure but we will not notify you about any other insignificant change. We will have no other responsibilities to you in respect of any insignificant changes.

Occasionally, we have to make a significant change and we reserve the right to do so. A significant change is one where we or our suppliers significantly alter any of the main characteristics of your arrangements. Examples of significant changes include the following changes when made before departure:-

a change of accommodation to that of a lower official classification or standard to that originally booked for the whole or a major part of the time you are away;

a change of outward departure time resulting in the overall length of time you are away being reduced by twelve hours or more;

a change of UK departure point to one which is substantially more inconvenient for you (except between airports within or around the same city for example London Gatwick and Stansted Airports).

Where we or our supplier can no longer fulfil any special requirements that we have accepted and confirmed on our confirmation invoice and this will have a significant impact on your arrangements.

If we have to make a significant change or cancel before departure, we will inform you without undue delay and if there is time to do so before departure, we will offer you the choice of the following options:-

- i) (for significant changes) agreeing to the changed arrangements,
- ii) accepting the cancellation or terminating the contract between us and receiving a refund (without undue delay) of all monies paid; or
- iii) accepting an offer of alternative arrangements of comparable standard from us, if available.

(In the event that any proposed change or alternative offered results in a reduction or increase in the price you have agreed to pay or an increase or decrease in the quality of arrangements we have agreed to provide, we will also notify you of any price reduction or additional amount due).

You must notify us of your choice within 7 days of our offer. If you fail to do so, we will contact you again, re-iterating the above choices and sums payable or refundable and if you again fail to respond within 7 days, we may terminate the contract and refund all payments made by you without undue delay.

Where you have booked a package and you choose option i) above, subject to the following exceptions as well as the limitations and exclusions in section B of clause 5, we will where appropriate pay you reasonable compensation. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

We will not pay you compensation where:-

- i) we make a significant change or cancel before you have paid the final balance of the cost of your arrangements;
- ii) we make a significant change or cancel as a result of unavoidable and extraordinary circumstances as set out in clause 11;
- iii) where you choose options i) or iii) above;

We will not make a price reduction or pay you compensation; and the above options will not be available where:-

- i) we make an insignificant change;
- ii) we cancel as a result of any failure by you (including a failure to make payment in accordance with these terms);
- iii) where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you.

Changes and cancellations after departure

If we become unable to provide a significant proportion of your arrangements after you have departed, we will try to offer you suitable alternative arrangements of, where possible, equivalent or higher quality than those specified in the contract. If the alternative arrangements we make are of a lower quality than those you originally booked, we will make a price reduction. Where our original agreement included return transport we will also provide you with equivalent transport back

to your place of departure. You may reject the proposed alternative arrangements only if they are not comparable to what we originally promised to provide or if the price reduction we offer is inadequate. Where we are unable to make suitable alternative arrangements or you reject the proposed alternative arrangements in line with this clause, where appropriate and only where you have booked a package, we will pay you compensation subject to section B of clause 12.

The above sets out the maximum extent of our liability for changes and cancellations and we regret we cannot meet any other expenses or losses you may incur as a result of any change or cancellation.

11. Unavoidable and Extraordinary Circumstances

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by unavoidable and extraordinary circumstances beyond the control of the party who seeks to rely on them which we or the supplier(s) of the service(s) in question could not avoid even if all reasonable measures had been taken. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster and adverse weather conditions which make it impossible to travel safely to or remain in the travel destination; adverse sea, ice and river conditions, significant risks to human health such as the outbreak of serious disease at the travel destination and all similar events outside our or the supplier(s) concerned's control. Advice from the Foreign Office to avoid or leave a particular country may constitute unavoidable and extraordinary circumstances. Where you have booked a package and we are unable to ensure your return as agreed because of unavoidable and extraordinary circumstances which directly prevent you from travelling safely back to your point of departure, we will bear the cost of necessary accommodation if possible of equivalent category for a period not exceeding (a) 3 nights per traveller (exceptions apply in respect of persons with reduced mobility and people travelling with them, pregnant women and unaccompanied minors, as well as persons in need of specific medical assistance, provided that we have been notified of their particular needs at least 48 hours before the start of the package); or (b) where a different period is specified in any passenger rights legislation applicable to the relevant means of transport for your return, for the period specified in that legislation.

12. Our Responsibilities and Liability to you

Where we refer to a 'price reduction' in this clause, we mean that we will give you an appropriate reduction in the price you paid for the arrangements affected for any period during which there was lack of conformity, (unless that lack of conformity is attributable to you). Where we refer to 'compensation', we will pay you appropriate compensation without undue delay for any damage which you sustain as a result of any lack of conformity subject to the limitations and exclusions in section B of this clause.

A. Our responsibilities differ according to what you have booked:

In relation to flights where the place of flight departure and arrival is within the UK

In respect of the sales of flights where the place of flight departure and arrival is within the UK, we act as agent. We accept no liability in relation to any contract you enter into or for the acts or omissions of any supplier(s) or other person(s) or party(ies) connected with any such booking. For all such flights, your contract will be with the supplier of the flights in question. When making your booking we will arrange for you to enter into a contract with the applicable flight supplier(s) and your booking with us is subject to the specific booking conditions of the relevant flight supplier(s) you contract with. The supplier's terms and conditions may limit and/or exclude the supplier's liability to you. Copies of applicable conditions are available on request from us.

In relation to bookings of Packages:

We accept responsibility as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018. Subject to these booking conditions, if we fail to arrange or perform your package arrangements in accordance with our agreement, we will remedy any resulting lack of conformity. If that is impossible or entails disproportionate costs (taking into account the extent of the lack of conformity and the value of the arrangements affected), we will instead pay you reasonable compensation subject to clause B of this clause. Please note that it is your responsibility to show that we or our supplier(s) have been negligent in performing or arranging the package arrangements if you wish to make a claim against us.

In relation to all other bookings:

We have a duty to select the suppliers of the services making up your booking with us using reasonable skill and care. Except as stated otherwise in these terms, we have no liability to you for the actual provision of the services, except in cases where it is proved that we have breached that duty and damage to you has been caused. Therefore, providing we have selected the suppliers using reasonable care and skill, we will have no liability to you for anything that happens during the service in question or any acts or omissions of the supplier, its employees or agents.

Please note that it is a condition of our acceptance of the responsibility above that you inform us and the supplier(s) concerned without undue delay of the lack of conformity you perceive; and allow us a reasonable period in which to remedy it. Please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

B. Limitations of responsibility

In these terms and conditions, our responsibilities are limited, and duty to pay compensation is limited as follows:-

We will not be responsible, make a price reduction or pay you compensation for any lack of conformity injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:-

- a) the act(s) and/or omission(s) of the person(s) affected;
- b) the act(s) and/or omission(s) of a third party unconnected with the provision of your arrangements and which were unforeseeable or unavoidable; or
- c) Unavoidable and extraordinary circumstances as set out in clause 11.

We will not be responsible, make a price reduction or pay compensation:-

- a) for services or facilities which do not form part of our agreement or where they are not advertised by us. For example any excursion you book while away, or any service or facility which your hotel or any other supplier agrees to provide for you.
- b) for any damage, loss or expense or other sum(s) of any description which on the basis of the information given to us by you concerning your arrangements prior to them being confirmed, we could not have foreseen you would suffer or incur if we breached our contract with you; or that relate to any business.

Any price reduction or compensation that is payable will be calculated taking into consideration all relevant factors for example (but not limited to):-

- a) whether or not you have followed the complaints and notifications procedure as described in these conditions. It is a condition of our acceptance of liability under this clause that you notify any claim to ourselves and our supplier(s) strictly in accordance with the complaints procedure set out in these conditions.
- b) the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your arrangements.

c) deductions that we must make to take account of any money which you have received or are entitled to receive from any transport provider or hotelier for the complaint or claim in question.

(Please also note that where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.)

Luggage or personal possessions and money

The maximum amount we will have to pay you in respect of any claim for loss of and/or damage to any luggage or personal possessions or money is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.

Claims covered by an International Convention

When arranging transportation for you, we rely on the terms and conditions contained within any applicable International Conventions. The extent of or the conditions under which compensation is to be paid or liability accepted will in all cases be limited as if we were carriers under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask us for copies of these Conventions.

Any other claims which don't involve injury, illness, death or damage caused by us or our suppliers intentionally or negligently; or other liability that can't be limited by law

The maximum amount we will have to pay you in respect of all such claims is three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your arrangements.

Assistance to those on a package in the event of difficulty or unavoidable and extraordinary circumstances

Where you have booked a package, we will provide appropriate assistance without undue delay in the event that you experience difficulty including where you are unable to return to your agreed point of departure because of unavoidable and extraordinary circumstances as set out in paragraph 2 of clause 11. Such assistance will extend to providing appropriate information on health services, local authorities and consular assistance; and helping you to make distance communications and to find alternative travel arrangements. We will charge a reasonable fee for such assistance if the difficulty is caused by you intentionally or as a result of your act or omission. In the event such assistance is needed please contact our local representative using the contact details on your itinerary or by calling our emergency number +44 (0)1625 800321

13. Your Responsibilities

Any passports, visas, health certificates, International Driving Licences, entry requirements and other travel documents required for your holiday must be obtained by you, whose responsibility it remains

to ensure that these are all in order and to meet any additional costs incurred (whether by you or by us on your behalf) as a result of failure to comply with such requirements. You are responsible to arrive at stated departure times and places and any loss or damage which you suffer through failure to do so lies with you. We have no liability whatsoever to you through your failure to do so. The Foreign & Commonwealth Advice Unit may have issued information about your holiday destination. You are advised to check this information on the Internet under the address <http://www.fco.gov.uk>

All guests staying with us are expected to conduct themselves in an orderly and acceptable manner and not to disrupt the enjoyment of other guests. If in our opinion or in the opinion of any hotel manager or any other person in authority, your behaviour or that of any member of your party is causing or is likely to cause distress, danger or annoyance to any of the other guests or any third party or damage to property, or to cause a delay or diversion to transportation, we reserve the right to terminate your booking arrangements with us immediately. In the event of such termination our liability to you and/ or your party will cease and you and/or your party will be required to leave your accommodation or other service immediately. We will have no further obligations to you and/ or your party. No refunds for lost accommodation or any other service will be made and we will not pay any expenses or costs incurred as a result of termination. You and/or your party may also be required to pay for loss and/or damage caused by your actions and we will hold you and each member of your party jointly and individually liable for any damage or losses caused by you or any member of your party. Full payment for any such damage or losses must be paid directly to the hotel manager or other supplier prior to departure from the hotel. If you fail to make payment, you will be responsible for meeting any claims (including legal costs) subsequently made against us as a result of your actions together with all costs we incur in pursuing any claim against you. We cannot be held responsible for the actions or behaviour of any other guests or individuals who have no connection with your arrangements with us.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

15. Flights, Delays and Denied Boarding

The following clause applies to arrangements booked with us that are inclusive of flights.

Please note the existence of a "Community list" (available for inspection at http://ec.europa.eu/transport/modes/air/safety/air-ban/index_en.htm) detailing air carriers that are subject to an operating ban with the EU Community. The carrier(s), flight timings and types of aircraft shown in this brochure and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. In accordance with EU Regulation 2111/2005 we are required to advise you of the actual carrier operating your flight/connecting flight/transfer. We do this by detailing carriers to be used or likely to be used on our website's Airline Information Pages and we shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your tickets which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been despatched we will contact you as soon as we can to let you know and in all cases at check-in or the boarding gate. Such a change is deemed to be a minor change in accordance with Clause 10.

We use the scheduled services of the world's international airlines and whilst these airlines are rarely subject to lengthy delays there are occasions where airlines are subject to operational delays, change of aircraft and routing, over which we have no control. Where this does occur it is the responsibility of the airline or transport provider concerned to provide refreshments and/ or appropriate accommodation. We cannot accept liability for any delay which is due to any of the reasons set out in Clause 13 of these booking conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check -in or board on time).

Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If the airline does not comply with these rules you should complain to the Aviation Consumer Advocacy Panel which is part of the Civil Aviation Authority www.caa.co.uk. This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements. Please note that in accordance with Air Navigation Orders in order to qualify for infant status, a child must be under 2 years of age on the date of its return flight.

16. Special Requests, Disabilities and Medical Problems

Any special requests must be advised to us at the time of booking e.g. diet, room location, a particular facility at a hotel etc. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Failure to meet any special request will not be a breach of contract

on our part unless the request has been specifically confirmed and guaranteed in writing. We are not a specialist disabled holiday company, but we will do our utmost to cater for any special requirements you may have. We will give you information about whether the arrangements you have chosen are generally suitable for persons with reduced mobility but if you or any member of your party has any precise medical problem or disability which may affect your chosen arrangements, please provide us with full details before we issue our confirmation. We will only provide precise information on the suitability of the trip or holiday taking into account your needs if you specifically request us to do so. Acting reasonably, if we are unable to properly accommodate the needs of the person(s) concerned, we will not confirm your booking or if you did not give us full details at the time of booking, we will cancel it and impose applicable cancellation charges when we become aware of these details. If you develop a serious medical problem after making a booking or a medical problem worsens, we reserve the right to reasonably refuse or cancel your booking, if in the unfortunate event that we cannot accommodate the booking/reservation. In these circumstances we will endeavour to limit any cancellation charges applicable.

17. Complaints

We make every effort to ensure that your holiday arrangements run smoothly but if you do have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our local representative (where applicable) immediately who will endeavour to put things right. If your complaint or problem is not resolved locally, please contact us by telephoning our 24 Hour Emergency Telephone Number +44 (0) 1625 800 321. Please note that failure to follow this procedure may affect your rights under this contract and reduce or extinguish any claim against us or our suppliers as we have been denied the opportunity to investigate and rectify the problem and/or take steps to reduce or entirely prevent any loss or damage being suffered. If the problem cannot be resolved and you wish to complain further, please send formal written notice of your complaint to us at Client Services, Lusso Travel Ltd, 17 London Road, Alderley Edge, Cheshire, SK9 7JT within 28 days of the end of your stay, giving your booking reference and all other relevant supporting information. Please keep your letter concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you.

18. ABTA

We are a member of ABTA, membership number Y2136. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you an arbitration scheme for the resolution of disputes arising out of, or in connection with this contract. The arbitration scheme is arranged by ABTA and administered independently. It is a simple and inexpensive method of arbitration on documents alone with restricted liability on you in respect of costs. The scheme does not apply to claims for an amount greater than £5,000 per person. There is also a limit of £25,000 per booking form. Neither does it apply to claims which are solely in respect of physical injury or illness or their consequences. The scheme can however deal with compensation claims which include an element of minor injury or illness subject to a limit of £1,500 on the amount the arbitrator can award per person in respect of this element. The application for arbitration and Statement of Claim must be received by ABTA within eighteen months of the date of return from the holiday. For injury and illness claims, you may like to use the ABTA Mediation Procedure. This is a voluntary scheme and requires us to agree for mediation to go ahead. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You may also wish to refer the matter to the European Commission's Online Dispute Resolution Platform which can be accessed using the following link: <http://ec.europa.eu/odr/#>

19. Brochure Accuracy & Pricing

The information contained within this brochure and on our website is for guidance purposes only. It is prepared many months in advance and we endeavour to ensure that all the information and prices in our brochures/ website are accurate at the time of publication. However, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. We will not be liable for booking errors which are attributable to you or which are caused by unavoidable and extraordinary circumstances as defined in clause 11. Descriptions of accommodation, facilities and services are obtained from our suppliers in advance of publication and it is possible that an advertised facility may be withdrawn or changed for reasons such as lack of demand, bad weather, maintenance or renovation. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed. Due to ongoing renovations some hotels or their surroundings may have changed, sometimes quite dramatically since the latest update of this brochure or our website. In the majority of cases the images featured are those provided by the relevant suppliers. Please note that the imagery provided is purely for your guidance and need not necessarily provide a current representation of the property and its surroundings as further developments may have taken place since these images were taken.

20. Insurance

It is a requirement of booking that adequate travel insurance cover is obtained prior to booking. Please ensure that any policy obtained provides adequate cover for cancellation, missed departure and unused accommodation. You must also ensure that any activities considered hazardous (scuba diving, etc) and travel in light or single-engine aircraft are covered by your policy where you intend to take part in such activities. We advise you to read the details of your policy carefully and take them with you on your holiday. Please note that the majority of insurance policies will exclude any undisclosed pre-existing conditions, medical or otherwise, and we advise you where you have any doubt to check with your insurer prior to booking. We do not sell travel insurance but please contact us should you require an introduction to an insurance provider who will assist with your insurance needs.

21. Jurisdiction and Applicable Law

These Booking Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute, claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only (if not referred to Arbitration under Clause 18). You may however, choose the law and jurisdiction of Scotland or Northern Ireland if you live in those places and if you wish to do so. If any part of this contract is found by a competent authority to be invalid, unlawful or unenforceable then that provision shall be deemed not to be a part of this contract and it shall not affect the enforceability of the remainder of this contract. No term of this contract is enforceable pursuant to the Contracts (Rights of Third Parties) Act 1999 by any person who is not a party to it.

22. Subsequent Versions of these Conditions

These booking conditions are accurate at the time this brochure was printed. We may alter these terms and conditions at any time. If we do so, all subsequent bookings will be governed by the newer version. You must check our website for the applicable up to date version of these terms and conditions.

Those demonstrating their achievements beyond the pure acceptance of this principle are recognised by the award of 2 to 5 star status.

Customer Relations

All members endeavour to deal swiftly and fairly with any issues their customers may raise. In the unlikely event that a dispute between an AITO member and a customer cannot be settled amicably, AITO's low-cost Independent Dispute Settlement Service may be called upon by either side to bring the matter to a speedy and acceptable conclusion.
