Which is why we're proud to work with Atlantis Dubai. Over the years we've arranged hundreds of holidays to Atlantis, The Palm and consistently receive excellent feedback from both agents and their clients. A Dubai icon, Atlantis, The Palm has been the ultimate holiday destination for both couples and families since 2008. Now, following a multi-million-dollar upgrade, it's looking better than ever, with a fresh new look to each and every room, a stunning new adults-only beach club, the world's largest waterpark and a staggering 36 restaurants, bars and lounges to choose from.

If Atlantis, The Palm is all about choice and entertainment, the new Atlantis The Royal takes luxury to a whole new level. It's an awe-inspiring feat of architectural brilliance where no expense has been spared, from its signature penthouses and stylish suites – 44 with private infinity pools – to its over 5,000-square-metre wellness haven AWAKEN and its dazzling, 90-metre skypool, perched 22 storeys above sea level. Rarely does a resort challenge our perspective of what we mean by ultra-luxury, but Atlantis The Royal has done just that. We know it will appeal to our most discerning clients.

Atlantis The Royal is home to some of the most elegant and extravagant accommodation in Dubai. Spread across three towers soaring 43 metres above sea level, its rooms, suites and signature penthouses represent the pinnacle of contemporary luxury, designed to immerse guests in absolute comfort and unparalleled opulence.

SIGNATURE PENTHOUSES

Built with royalty and the ultra-wealthy in mind, Atlantis The Royal's six signature penthouses offer a level of luxury unlike anything else we know. They are personal kingdoms boasting hand-crafted décor, private infinity pools and grand, expansive terraces, with personal butlers to ensure you want for nothing. For the most breathtaking views, pick the Panoramic Penthouse on the highest floor of the Sunset Tower, whose wraparound terrace affords panoramic views across Dubai. Or opt instead for the resplendent Royal Mansion, a four-bedroom, split-level penthouse complete with private lift, outdoor kitchen and foyer studded with 100-year-old olive trees.

SUITES

Of Atlantis The Royal's 96 stylish suites, nearly half have infinity pools and all offer jaw-dropping views from their private terraces. Highlights include gleaming marble bathrooms with separate showers and stand-alone baths, capacious dressing rooms and walk-in wardrobes, butlers on call 24 hours a day, in-room dining experiences from celebrity-chef restaurants, as well as breakfast in bed delivered daily free of charge. Our pick of the crop is the spacious Sky Pool Villa, whose all-glass infinity pool creates the illusion that you're swimming among the clouds.

ROYAL CLUB ROOMS

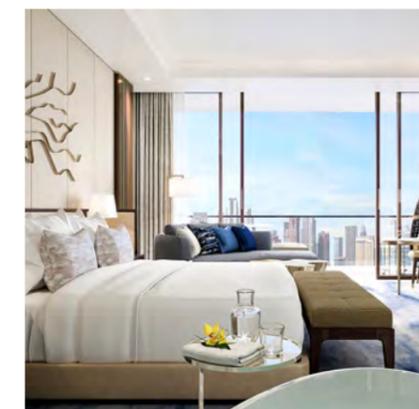

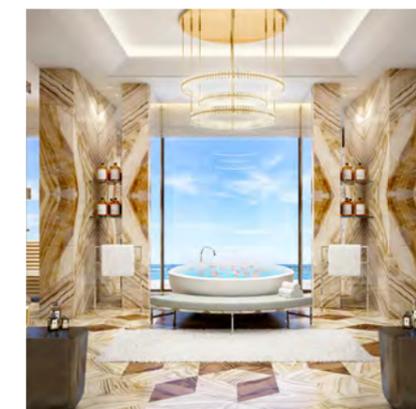

Royal Club rooms treat guests to some of the most majestic views in the city. Perfect for either couples or families, they feature king or two queen beds, floor-to-ceiling windows, walk-in wardrobes and private balconies. Better still, they come with a host of exclusive benefits, including all-day access to private Royal Club lounges for afternoon tea and evening drinks, butler services, and daily access to the children's Atlantis Explorers Club.

GUEST ROOMS

Even lead-in rooms are the size of some apartments. Delivering breathtaking views of the Arabian Sea, man-made Palm Island or the glittering Dubai skyline, they're a masterclass in sophistication, offering king or queen beds, adjustable mood lighting, separate baths and showers and a range of bespoke amenities.

What we love

"The resort's unique building-block design ensures that individual floors remain small, adding an air of intimacy and exclusivity to each enclave of accommodation. It's also why the views are so good from each and every room category."

DUBAI'S PREMIER

DINING & ENTERTAINMENT DESTINATION

With eight restaurants helmed by celebrity chefs plus a wide range of casual and family friendly dining options, Atlantis The Royal has announced itself loudly on Dubai's growing food scene.
